October... it's here. Spring came and went, summer is over and fall, thank you for getting here. It is with a grateful heart that I welcome fall myself. I'm not much on the heat and humidity of Houston in the summer, and after my AC going down recently, it was even less fun. But October is here. That means it's almost time to celebrate the harvest. What kind of harvest do you celebrate these days? Not many of us are farmers anymore. We might have tomato plants or something simple, but we can still celebrate the harvest. A time of gathering and in the church I want for us to celebrate a times of gathering as well. That which is planted in you and in all of us should be blooming and the fruit of our faith may have been planted in others. It is what we do as Christians. We spread the seeds of the gospel and the Holy Spirit nourishes, and then we celebrate what God does in the lives of new believers. Yes, we get to help water the seeds of faith and welcome the harvest of spiritual growth in ourselves, in our brothers and sisters in Christ, and in new Christians as well.

So, COME ON FALL, COME ON HARVEST, we welcome the harvest home to TWCC.

All the ladies of the church are invited to join us for this fun event. We will be decorating little pumpkins for the fall season. Just bring your creativity, we will supply the pumpkins and decorations for everyone to make two to take home. If you want to make more, just bring an extra pumpkin.

Lunch will be potluck finger foods.

**It's Pumpkin Tasting time again, and lunch**

**Sunday, October 16 following church**

This year we are combining Pumpkin Tasting with a potluck lunch. So, find your pumpkin recipes and get creative. Not all the food has to be pumpkin. I like some chicken and other veggies as well.
