Kim's Korner

What an amazing Lent and Easter we have celebrated! It was a wonderful time to learn, celebrate and fellowship as Disciples growing in our faith through the understanding and praise of our Christ and the sacrifices made for each of us. As we traveled through a season of joy and sacrifice, we come to understand our place in God's world and how we walk through the world with the spirit of God in each of us, but more importantly how do we share the spirit of God with the people who walk beside each of us. It has been a great journey of different voices and many experiences. Hopefully you experienced Lent in a way that allowed you to grow and acknowledge how you can share your love of Christ and others with others.

So now that Lent is done what is next ...

Eastertide until Pentecost but mostly what happens next is we look for ways to share God's love, spirit, forgiveness, and blessings, corporately and individually. How do we share what we have celebrated and learned and the ways we might have grown with the people. I am not sure, but I am looking and thinking and so on and so on.

Even though we are not in a specific time of celebration let's remember to celebrate the everyday, to celebrate the moments where God is with us and we are sharing those moments with others.

In God's Service

Kim

SWCC Spring Work Day!

Sunday, April 16 at our spring work day we switched out stained chairs in the sanctuary, we set up the children's table back and created an adult table for those who might feel more comfortable at a table for worship. We cleaned up rooms upstairs and brought down a crib and a rocker for babies and moms. Outside we planted flowers in the front, but we need more ideas for the rest of the entrance. The sidewalk in the circle was power washed. The small shed was repaired, and the roses were tended to. It was a great time with lots completed but more to be done. Thank you to all who worked together to get things cleaned up.

Thanks
In God's Service
Kim
